Great Rift Valley

"Travellers' Choice Best Safari Property in Africa"

Chui Lodge is a private getaway as rare and impressive as the animal after which it is named (Chui is the Swahili word for Leopard). The lodge is situated just above the shores of Lake Naivasha within the Great Rift Valley –one of the true Natural Wonders of the World-, set in the privately owned 20,000 acre Oserian Wildlife Sanctuary overlooking a waterhole with the dramatic Mau Escarpment as a back drop.
