From the guest book:

"Lantana is fantastic. The setting is out of this world. One of the most beautiful spots on the coast. We stayed in one of the villas, which was gorgeous. The decor was tasteful and comfortable, the place was huge, and very clean. The staff are very friendly and eager to help and the food at the little restaurant on the beach is very good." - Fam. Sheeners, Vancouver, Canada

"Incredible resort! Peaceful, safe, and outstanding service. I have stayed at many beach/resorts around the world and I fell in love with the Lantana! White sands, stunning views, spa service, impeccable attention to safety and service – this place was a dream." – Westcoast
